

'Play is the essential of learning'

Hello my name is Hannah Calliou I'm a proud St'at'imc member. I'm a Wife, Mother, Grandma. I am currently residing in Ts'kw'aylaxw B.C. as well in my second semester at TRU enrolled in the Early Childhood Education program. When I graduated 30 years ago, I wanted to do this program because I love children and getting to know them. So far I am loving this program. My Interests are walking with my two dogs Molly & Jasper as well as my daughter Georgetta and Grandson Joshua Ned. I love attending community events in Cayoose Band as well as Pavilion Band and assisting with events in my free time.

I'm so happy I get the opportunity to do my first Practicum here with you all. Thank you!
